

Product Information:

Grunn i2-Ecobot (\$269)

Grunn i2-Ecobot Robotic Vacuum Cleaner moves automatically with its 4 preset movement functions (Auto / Edge / Zig Zag / Spiral). It will automatically return to its charging station after the battery is low. It is designed with a DC Motor to enhance suction power with a detachable water mopping tank. A rechargeable Lithium Ion battery is installed to maximize the operating time for more area coverage.

Product Specifications:

- Dual Spinning Brush to ensure cleaning effectiveness
- Direct Suction Inlet for easy maintenance
- Gravity Sponge Wet Water Mopping Tank (100ml)
- Scheduling Function
- Average 1.5hrs Operation Time
- Average 4 - 5 Hours Charging Time
- 7.5cm Lower Height Limit
- Front Bionic Sensor with Sensitive Bumper

Product Dimension: 30 x 30 x 7.5 cm

Grunn V8-Turbovac (\$239)

Grunn V8-Turbovac Multifunction Wireless Vacuum Cleaner is powered by an improved Brushless DC Motor (BLDC) which creates a strong cyclone suction power of 20,000Pa with a detachable rechargeable Lithium Ion Battery. Its structure is designed for easy manoeuvring while retaining its robust quality. A fluffy brush is installed to enhance the smoothness of the gliding motion with ease of maintenance after operation.

Product Specifications:

- Suction Power: ≥20,000pa(high), ≥10,000pa(low)
- Working Duration: ≥15min(high), ≥30min(low)
- Charging Duration: ≥4.5 hours
- Battery Capacity: 2200mah Li-ion
- Rated Voltage: 21.6V DC
- Adapter Input: 100 - 240V AC
- Accessories: 2 in 1 Nozzle Brush / Round Brush
- Colour: Grey with Shining Silver Spray

Product dimension: 11 x 22 x 103 cm
