

## Theo10® Gift Set Consists of:

### Description:

A revolutionary 'wind-proof' insect repellent that is effective against mosquito and ants which is created using only all-natural organic ingredients for outdoor use. It coats your skin with a very fine layer of essential oils that effectively protects your skin against mosquitoes and ants for up to 4 hours.

While most other repellents use smell to repel mosquitoes, natural elements outdoors such as wind dissipates smell and drastically reduces the efficacy. Theo10® REPELS uses a very unique blend of natural essential and cold pressed oils to ensure that while it is effective against mosquitoes and ants, it does not leave your skin oily or sticky. Essential oils with anti-aging properties which nourishes and moisturizes the skin are added so that it does not cause any dryness or skin sensitivity.

### Ingredients:

- Organic cold pressed Neem seed oil
- Organic American Peppermint Essential Oil
- Litsea Cubeba distilled essential oil
- Purified water
- Organic cold pressed Valencia Orange
- Cedarwood essential oil
- Carrotseed essential oil

### **Description:**

Theo10® Sunscreen is a moisturizing SPF50 sweat and water-resistant sunscreen which strictly contains no harmful substance to human and ocean. It effectively deflects harmful UV rays before they reach the protective outer epidermis layer of the skin. Theo10® Sunscreen is a broad-spectrum protection formulated sunscreen for protection against both UVA and UVB.

The ingredients does not harm humans and oceans particularly reefs. It contains non-nano and uncoated particles and food grade organic ingredients.

While most sunscreen whitens the applied area, Theo10® Sunscreen does not leave any traces of whitening features, instead, it moistens and grants an occlusive layer to retain the barrier against moisture loss and sunscreen protection.

### **Ingredients:**

- Cold Pressed Jojoba Oil
- USP food grade Vegetable glycerine
- Non-nano Non-coated Therapeutic Grade Zinc Oxide
- Non-nano Non-coated Therapeutic Grade Titanium Dioxide
- Cold Pressed Snow Pear oil
