USER MANUAL GUIDE TO LOGIN ON APP

1. Login For existing AA Member

• Tap on "Sign in"

2. Creating New Password for Existing Member

• For existing Members that are logging in for the first time, tap on "Create New Password".

3. Membership Details

• Enter your **Membership ID** (eg : A123456) and the **last 4 characters of your NRIC** (eg : 123A) and tap "**Submit**".

4. Retrieve OTP

- Enter your mobile number and tap "Get OTP".
- You will receive a SMS with the OTP. Please take note of the OTP expiring time as stated in the SMS.

5. Enter OTP

• Enter the **OTP** to the App and click on the "**Verify**" button.

6. Creation of new password & Login

- Once you have verified with your OTP, you may then create and confirm your new password.
- Upon the creation of your new password, you can now login to the AA Singapore app.
- Once logged in, "Enable Biometrics" for a more convenient login. Otherside, please tap "Skip For Now".
